**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 28 **Special Condition #28:** The defendant may have unsupervised contact with his stepson and his unborn child, who is due in late November 2014.

**Supporting Evidence:** The defendant has completed sex offender treatment and his polygraphs have indicated the defendant has remained compliant with his conditions of supervision. The treatment provider indicates the defendant was able to identify the contributors to his offense behavior, potential high risk situations (those that could increase the potential for an offense) and self-intervention skills to avoid re-offense.

**CAUSE**

Based on the information offered by the treatment provider and Mr. Martin's compliance with all aspects of supervision, this officer respectfully requests the Court concur with the addition of the noted condition.

Respectfully submitted,

## Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To modify the conditions of supervision as follows:

- 28 **Special Condition #28:** The defendant may have unsupervised contact with his stepson and his unborn child, who is due in late November, 2014.

**Supporting Evidence:** The defendant has completed sex offender treatment and his polygraphs have indicated the defendant has remained compliant with his conditions of supervision. The treatment provider indicates the defendant was able to identify the contributors to his offense behavior, potential high risk situations (those that could increase the potential for an offense), and self-intervention skills to avoid re-offense.
